Pat enjoyed time with her family and friends. She loved attending school concerts and sporting events and the many parties with friends and family. Friends were an important part of her life from the Incarnation grade school friends, the Holy Angles group and our wonderful East Gull Lake crew. Jean and Pat enjoyed the last few winters at Ft. Myers’s, Florida meeting with friends from the past and meeting new friends.

A message to all from Pat

Thanks to all of you who shared the support during my illness. I loved getting your cards and little gifts. I must mention Jody a friend I met in 1995. Jody ended up living in Naples, Florida but during my illness kept in constant touch by phone and we were even able to see each other a few times. Jody and I shared many Shenanigans over the year as co-workers especially on St. Patrick's Day!

The family would like to thank the crew of North Memorial Hospice for all their loving care.

In lieu of flowers, memorials preferred to St. Jude Children's Hospital.
