There is a special Angel up in heaven that is part of us,

We were hoping that she was coming back home with us, but God wanted her to come live with him in heaven.

She had put up a good fight as we were by her side & in a moment it was like a shooting star as she left us for heaven.

Although she is in heaven she isn't very far.

She touched the hearts of many like an angel would do.

So please send this special message to heaven up above.

Please take care of our angel God & send her all of our love. Until we meet again. Always & Forever
